UPON RECEIPT

Hello all future, current, and past employees of Slug & Dandelion enterprises

Head Corporate has been tabulating our quarterly reports, and we have excellent news - profits have soared **over 300%**, thanks to your tireless work. The regional branch co-managers, James And Sully have been authorized to host an “office jamboree”

There will be a fabulous spread of snacks - Punch will be served.

Attire must stay strictly business casual! Don’t forget you are always representing the corporation at all times.

Bring a +1 - S&D LTD is always hoping to expand our footprint, so get the word out.

We look forward to seeing you there. Please RSVP via the company web portal so our chief HR officer, Cinnamon Toast, can arrange proper food budgeting, and travel accommodations.
